Crestron names the winners of the 2012 Crestron Residential Awards-- with eight integrators receiving awards for "outstanding" projects completed in 2011.

The awards for this year received 59 entries across eight categories, the highest number since Crestron started the awards 5 years ago. Judging the entries were Crestron UK MD Robin van Meeuwen, Marketing Manager Petra van Meeuwen, Tanya Houston (Wildwood PR) and Paddy Baker (INSTALLATION editor)

The winners are as follows:

- **Best Integrated Home System:** T&T Automation for Georgian Mansion
- **Most Distinctive Digital Media Installation (on sea):** Audio Vision Ltd for Maltese Falcon
- **Most Distinctive Digital Media Installation (on land):** Smartcomm Ltd for Lavish Family Home
- **Brilliant Lighting Control and Design:** Audio Vision for Longwood Manor
- **Best High Rise Living:** ClearSphere Ltd for New Bond Street Penthouses
- **Best Marine Project:** AV Synergy for DB9
- **Best International Crestron Home:** Custom Controls for Dubai Villas
- **Most Creative GUI:** C3 Custom Code Crafters (Europe) for Xenon
