The CEDIA board of directors approves the 2018 executive committee and appoints two directors for the 2018-2019 term-- one filled from the EMEA membership, the other from the entire global membership.

John Buchanan from Meridian Audio was voted in by the board to fill the EMEA position, while David Weinstein from Lutron Electronics was voted in for the other position representing the entire global membership.

“CEDIA is in a fantastic position to hit the ground running for 2018,” CEDIA chairman David Humphries says. “Our directors have a wonderful and diverse set of skills and expertise which sets us up for a very successful year.”

The 2018 CEDIA executive committee membership is as follows.
